

**Father, we thank you that you have created a new life that is soon to enter this world, and be a part of our family. Your Word declares that you form our inward parts and cover us with your protective love, even in our mother's womb, and that we are intricately and skillfully formed by your hands. We declare that this coming child is created in your image and likeness, and is perfectly complete and healthy in every way.**

**Abba, this child is your workmanship, a work of art, your own masterpiece of creativity. Your eyes have already seen this child, and you have known her\him since conception. You have already set in motion a plan for her\his life, and each of those days is already recorded in your book. We declare that this child hears and knows the voice of your Spirit, even from the womb, and will walk in the paths which you prepared ahead of time, living the good life you have pre-ordained and pre-arranged for her\him to live.**

**Lord, your thoughts and plans are for this child's well-being and peace, and not for evil. You have ordained a bright and hopeful future for this child, an abundant life filled to overflowing with love, joy, and peace. We declare that your favor and blessing will surround her\ him, and that your goodness and mercy shall follow her\ him all the days of her\his life.**

**We believe that this pregnancy will continue to be a healthy one, both for the mother and child, and that there will be no complications during birth. We believe every medical decision and procedure will be directed by your Spirit, and that this child will be brought into the world by your loving hands and placed into the nurturing and caring arms of her\his parents.**

**Our prayer is that this child would be raised tenderly, with loving-kindness, in the ways of the Lord. We believe she\he will accept Jesus at an early age and will be taught by the Lord and obedient to His will. We say to this precious child: "The Lord bless you and keep you; the Lord make His face shine upon you and be gracious to you; the Lord turn His face toward you, and give you peace." In Jesus' name, Amen!**
