

Father, we thank you for your heart to save. You are not willing for anyone to perish. Thank you for loving us, even while we were still rebellious. Thank you for the cross. Thank you for sending Jesus to redeem us. Thank you for the Holy Spirit's work of making His sacrifice understood. We pray for those who do not yet know you, that the revelation of Christ and His salvation would be made real to them.

Satan, we bind you and pull down your strongholds in the lives of those for whom we are now interceding. We overthrow every belief system and thought pattern that deceives them. We bind every philosophy that keeps them from believing, from truly understanding the gospel, and from seeing Jesus as He really is. We bind the spirit of pride that causes them to want to rule their own lives and not submit to Jesus as Lord.

We ask you to send Holy Spirit now, to release your power in their lives, working in their minds and hearts. Father, we pray that you would send the right people to them to speak your Word, so that they will listen and understand the gospel. We believe the incorruptible seed of your Word will fall into the well-prepared and fertile ground of their hearts, so that they will be born again. We ask you to speak to them, and draw them to yourself and to your Church so they may begin to grow in grace and in the knowledge of you.

We ask this in Jesus' name, and we thank you for doing this. Amen!
