

**Father, in the name of Jesus, we pray and confess your Word over our children and grandchildren, as we surround them with our love and our faith. We confess and believe that they are your disciples, taught by your Spirit, obedient to your will, and great is their peace and undisturbed composure.**

**Father, we confess that our children honor, esteem, and value us as their parents, and that our grandchildren obey their own parents in the Lord, as His representatives. We believe that our children and grandchildren choose life and blessing, and that they love you, Lord, obeying you, and clinging to you, all the days of their lives. Thank you, Father, that you have made them to be the head, and not the tail, above, and not beneath, and that they are blessed coming in, and blessed going out.**

**Thank you, Father, that you are effectually at work in our children and grandchildren, creating within them the power and desire to please you. We pray that you will give them favor and high esteem, not only in your sight, but also with their teachers, coaches, and classmates. We ask you to give them wisdom and understanding as knowledge is presented to them in all their fields of study and endeavor.**

**Thank you that they will not be deceived or led astray by teaching or worldly philosophies that are contrary to the truth. Thank you for being their shield from all bullying, threats, and attacks. Thank you for giving them an appreciation for education, and helping them to understand that you are the source and beginning of all knowledge and godly wisdom. We ask you to make them diligent as they work for academic excellence. May you be glorified in their success.**

**Thank you also, Father, for your divine protection for our family today, as we dwell in the secret place of the Most High. Thank you that we find our refuge in you, and stand rooted and grounded in your love. Thank you for angels, assigned to accompany, defend and preserve us from all evil and harm. We are established in your love, so fear has no place in our hearts, minds, or emotions.**

**May we walk today in close communion and fellowship with you, bringing glory, honor and praise to the majestic name of Jesus, for it is in His name that we pray, Amen!**
