

Father, although we are in an era of increasing spiritual warfare on the earth, with evil increasing and manifesting in many ways, you have prepared us, as a people, to accomplish your will. We will not fear, but stand boldly in your name, releasing your kingdom authority and salvation. We are your ambassadors, healers, and deliverers. We will move forward in humility, but also in power. We will operate in love, but also in authority.

We are a people called for such a time as this. You intend for, and have prepared, us to accomplish your purposes on the earth. Though we feel inadequate at times, as we see evil abounding, we are continually reminded that your grace abounds even more! We see your matchless power, and the armies of heaven, and are assured that there are more with us than against us. You are the Lord of hosts, strong and mighty in battle, and no foe can stand against you!

Call us to arms! Equip us for this battle, not in our own strengths and gifts, but in the awesome power of Holy Spirit, the Greater One within us. We arise in the power of Jesus name, as you scatter our enemies before us! We are confident, knowing that you always cause us to triumph in Christ!

We join our hearts together, as a vast prayer army, agreeing in intercession for the Church around the world. We ask that a higher level of revelation be released in your people, awakening us to our calling and equipping. Make this revelation as powerful for us as it was for Peter, who only weeks after denying Jesus, stepped into his apostleship and authority.

Bring revelation to the church of Holy Spirit's transforming power, and of the incredible reality that He resides within us. Through His holy presence in us, we are truly more than conquerors, and we can do all things through Christ who strengthens us.

Pour out your Spirit. Awaken your spiritual army. Cause us, your sons and daughters, to realize our full authority and position in Christ. Infuse us with new levels of humility, love, faith, boldness, and discernment. Do these things with such strength that we, like the early Church, turn our world "right side up."

In Jesus' Ever-Victorious Name, Amen!
